

We dream. We believe. We achieve.

Cause

We belong to an inclusive school.
We show respect for one another and accept and celebrate differences.
We work as a team, cooperating and collaborating.
We care for and about everyone in our school community.

Mission

To provide our children with the confidence and knowledge of how to stay healthy and safe.
To nurture responsible citizens who understand about the world around them
To equip our children with resilience to stay emotionally, physically and mentally strong.
To inspire engagement in education.

Culture

We are all part of a team and community.
We are proud to celebrate our diversity.
We feel confident to take risks and understand mistakes are a way of learning.
We celebrate effort and creativity, as well as academic achievement

Message

We believe in setting high expectations and aspirations.
We take positive actions to help everyone achieve their goals.
We are a safe and inclusive school.
We are here for our children, families and our community

Purpose

For us all to be the best we can be.
For pupils and staff to be happy, healthy and enjoy participating in the life of the school.
To enable children to excel academically, socially and emotionally.
To facilitate a lifelong love of learning and healthy curiosity in the world around us.

Philosophy

We are guided by our core values.
Through the 5Cs, we show care, commitment, collaboration, courtesy and cooperation.
We believe in fairness and equity

Our Vision

- To positively influence the aspiration of our school community through engagement, achievement and enrichment.
- To develop a healthy mind, body and spirit through personal development and citizenship.
- To develop a healthy curiosity in the world around us by asking questions and finding answers.
- To prepare children for the 21st century with the skills to be god communicators and the creativity to solve problems.
