RE: Sun Protection

Wednesday 26th June 2024

Dear parents and carers,

Summer is finally here!

We want all our learners to enjoy the sun safely and would like to work with you in order to achieve this.

Please ensure that your child comes to school every day with the following:

- A refillable water bottle - clearly labelled with your child's name.
- A sun hat or cap - clearly labelled with your child's name.
- A bottle of sunscreen – clearly labelled with your child's name. **(Optional to send into school. Please make sure you apply to your child before school).**

Sunscreen:

The application of sunscreen to protect the skin applies to all children.

Please apply sunscreen to your child each morning before school. Sunscreen should be a **minimum of SPF 30** as advised by the NHS and, if possible, waterproof. Staff will not be able to apply sunscreen to pupils during the school day but will supervise and encourage self-application before going outside. This will be for their face, neck and arms. This is not replacing the first full application of the day before the start of school at home. Pupils are not permitted to share sunscreen with their friends in school.

Many thanks for your ongoing support.

L Clapton
