

As you know, this year, we are having a school competition. Each class are being asked to decorate their classroom door to promote Reading for Pleasure. There will be book prizes for the winning doors in each key stage (EYFS, KS1, LKS2 and UKS2).

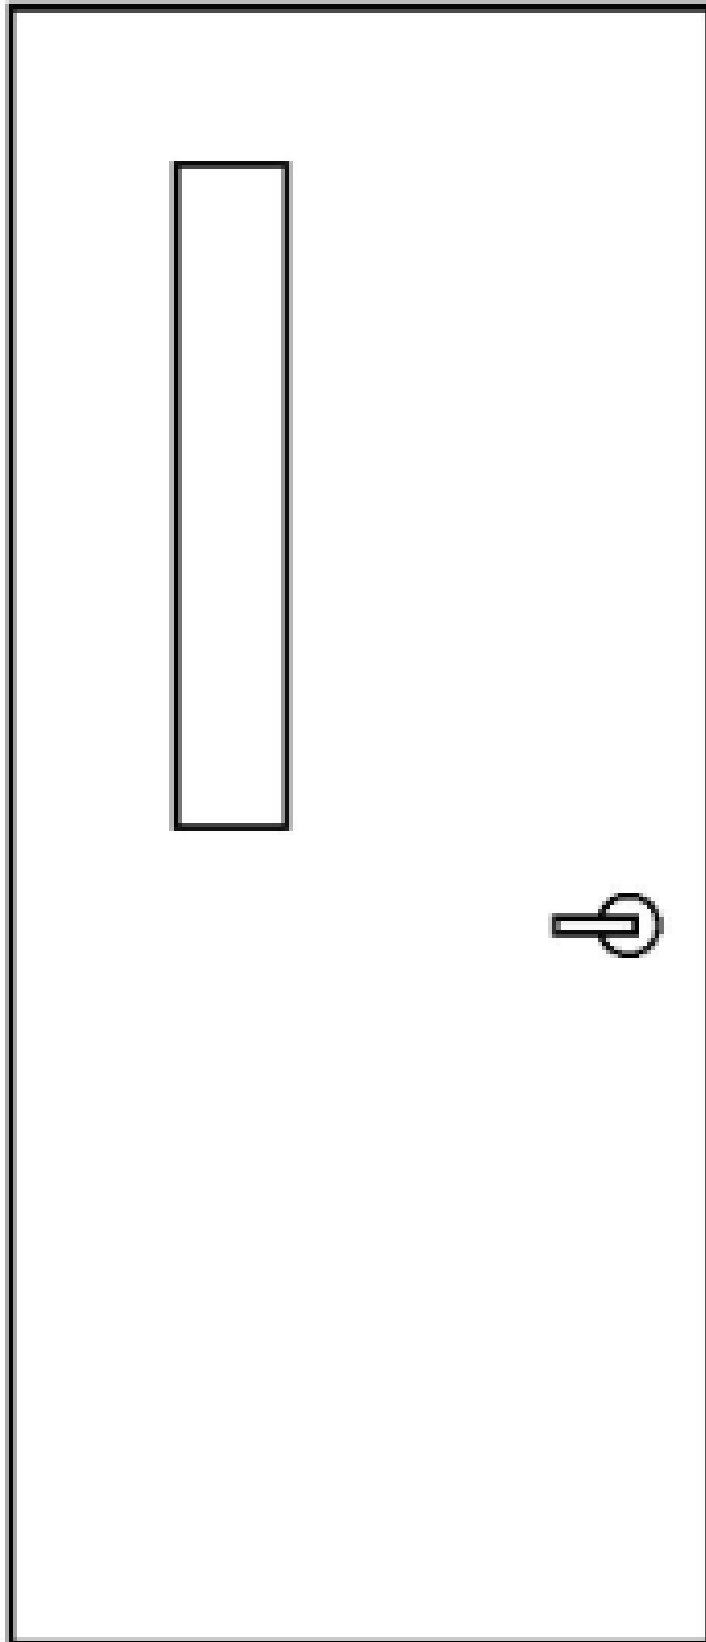

All you need to do is design the door which you think would encourage children to read. You can use the door on the reverse side to enter the competition.

The design may represent a book cover, reading quotes or a particular type of text for example: poetry, non-fiction, adventure stories, picture books – it is up to you.

Please submit your design by Friday 10th February 2023 so your class can vote for their favourite and your teacher can organise resources ready for World Book Day.
