## Year 6 Home Learning

Dear Parents/Carers,

In preparation for the year ahead, Year 6 pupils will be using CGP books to support their learning. Each week the pupils will be set weekly tasks within the CGP books to complete at home so every pupil will need these. Home learning tasks will be set on a Friday, and these will need to be completed by the following Wednesday.

The books include a wide range of SATS-style questions to embed learning and enable pupils to revise previously taught knowledge. The books will be used alongside a range of other online resources.

Online the books sell for approximately £5 each, meaning for the books the children need, you would need to spend approximately £20. However, we are asking for a voluntary contribution of **£5** to help us to cover the costs. Below you can see the books your pupils will be receiving.

To make your contribution, **you can do so via Arbor**. We are very grateful for your support.

Subject	Type of book
