9th December 2022

Dear Parent and Carers,

Year 5 Trip to The Safety Centre – 9th January 2023

We are pleased to announce we have been given the opportunity for the children to visit Hazard Alley at The Safety Centre in Milton Keynes on 9th January 2023. This is a unique experience where a large warehouse has been converted into lots of different scenarios the children may face and gives them an opportunity to learn how to be safe. The children will learn about rail, road, building sites and water safety to name but a few.

The coach will leave school at 9:20am and return before the end of the school day. They will also need to bring a packed lunch in a disposable named bag (no glass bottles or fizzy drinks please).

The visit has been carefully costed by the school; the cost of this visit will be £16.75 per child. This is a voluntary contribution, however, please note the visit can only go ahead if there are sufficient funds to cover the costs. If your child is entitled to free school meals, then they will qualify for a 50% reduction of the trip price. Should this visit present you with any financial hardship, please do not hesitate to contact the school directly and we will endeavour to support you with this.

We require payment by ParentPay, which is an easy app for parents to use and provides you with a receipt. However, if you are unable to pay in this way, please contact the office.

Should your child require any medication during the day (including travel sickness medication) a **medication form will need to be completed for this trip. Medication forms will be available from the school office.**

Please complete and return the permission slip with full payment by Friday 16th December 2022.

Kind regards,

A. Smith
