Dear parents and carers,

RE: Power Down Day

The Eco-Committee is planning its very first Power Down Day on Friday 24th November.

The team plan to raise awareness of the consumption of electricity, paper and all of the other general resources in use at school.

With these ideas in mind, we have decided that we are going to:

- Switch off computers and interactive whiteboards in all classrooms and encourage classes to take part in outdoor activities and lessons that do not require ANY technology.
- Turn off the school photocopier for the day.
- Encourage teachers to use the kettle less for their tea and coffee!
- Switch off all lights.

We hope to encourage child to walk to school on this day, or alternatively cycle or scoot! Mrs Clapton and the members of the Eco-Committee will be keeping an eye out and hope to see fewer cars than usual.

Children are invited to come in non-uniform on this day, wearing their brightest clothes, to ensure they stand out.

We hope we have your support with running this day and we look forward to sharing the outcome of the day with you.

Yours sincerely

The Eco-Committee
